GOALS

- To provide a second chance for young people to live a crime free future
- Reduce youth crime/reoffending
- Help youths address their issues
- Address community needs
- Volunteer opportunities

MISSION STATEMENT

The peer hearing seeks to help reduce low-level offending by using a collaborative problem-solving approach to crime.

working with statutory bodies, communities, grassroots companies, faith-based groups, businesses and most importantly with young people leading from the front.

The Peer Hearing endeavours to work with young people and help them to understand and address the underlying factors that can lead to criminal behaviour

Jonah's Project cic

Peer Hearing
A helping hand, becoming a better version of yourself.

INTERVENTIONS

The interventions will provide:
- Local provision
- A mechanism for change
- A long-lasting diversion

Interventions are based on the individual needs of the presented young person, to make sure they have the best chance to succeed.

Interventions will be the extended arm of the Peer Hearing process

VETTING

All interventions are vetted to ensure young people are safeguarded.
We will need to see documents of proof in areas such as:
- DBS Checks
- Insurance
- Risk Assessments

BENEFITS

- Being a part of a city-wide network
- Ability to use the Peer Hearing Logo to show your association
